'IMAGINE WHAT THE TORIES WOULD DO IF WE LEFT THE EU. IT WOULD BE A BONFIRE OF OUR RIGHTS'

Jeremy Corbyn, Labour leader

VOTE IN TO PROTECT YOUR RIGHTS

Being in the EU protects your rights, including workers' rights:

- ✓ Limits on maximum working hours
- ✓ Guaranteed break times
- ✓ Parental leave for all new parents
- ✓ Equal pay for women
- ✓ At least four weeks' holiday a year

These rights, fought for over decades, are safe as long as we stay in Europe.

DON'T HAND THE TORIES YOUR FUTURE

Voting to leave Europe will put hard-line Tories like Michael Gove, Iain Duncan Smith and Boris Johnson in charge, with much more power to tear up your rights.

The EU has its problems but giving more power to these Tories won't do anything to solve them. If we stay in Europe, we can change it and fight for a better future.

The EU referendum is on 23 June. Vote REMAIN for a better future in Europe.
