

USE YOUR VOTE TO STOP TORY BREXIT

Theresa May says she wants a mandate to negotiate “the right deal for Britain”. Don’t be fooled. The Tories’ plan for Brexit is one of the most extreme and dangerous agendas in recent history. It is a threat to our basic rights and freedoms.

VOTE TO SAVE BRITISH DEMOCRACY

If the Tories win this election, they will press ahead with new laws that will change the way Britain is governed. This process won’t just strip us of important rights, it will be a power grab for the government, giving them unprecedented power to make and repeal laws without even a vote in parliament. The Tories are a threat to our democracy.

VOTE TO SAVE WORKERS’ RIGHTS

When we leave the EU, the government will have the power to remove basic protections for workers – including limits on weekly working hours, four weeks of holiday per year, and guaranteed breaks and maternity pay. The Tories are funded by big business. They cannot be trusted with our rights at work.

VOTE TO SAVE OUR HUMAN RIGHTS

Theresa May is very open that she wants to scrap the Human Rights Act and withdraw from the European Convention on Human Rights. That means our basic rights – the right to a fair trial, the right to life, freedom of expression – will all be under threat.

VOTE TO SAVE THE ENVIRONMENT

During the referendum campaign, senior Tories talked a lot about “red tape” – and they didn’t just mean making us fill in fewer forms. They were talking about the environmental protections the EU gave us – from air pollution, to cleaner beaches, to protecting wildlife. Under the Tories, the environment will be under threat.

VOTE TO SAVE OUR DOCTORS, NEIGHBOURS AND FRIENDS

3 million Europeans already live in Britain, and it’s their home – they are our doctors, our neighbours and our friends. Before this election was called, the Tory government deliberately blocked plans supported by opposition parties to guarantee their right to stay. A Tory government would use them as bargaining chips in the negotiations.

WHAT THEY SAY

“To restore Britain’s competitiveness we must begin by deregulating the labour market. Political objections must be overridden. It is too difficult to hire and fire and too expensive to take on new employees. It is intellectually unsustainable to believe that workplace rights should remain untouchable.”

Liam Fox, Tory Secretary of State for International Trade

WHAT WE SAY

“The Tories’ plan for Brexit is a plan for a race to the bottom which we will all lose – with weakened human rights, rampant deregulation, and a diminished Britain. It’s an extreme agenda which will not only isolate our country but fatally undermine its democracy, weakening parliament and giving the government unprecedented power to pursue its agenda. We have to wake up before it’s too late – and vote to stop Tory Brexit.”

Clive Lewis, Labour MP for Norwich South

“There’s absolutely no doubt that Brexit is central to this election. The Tories’ extreme agenda would see the UK leaving the single market, ending free movement and endangering our social and environmental protections. This damaging plan must be resisted and we urge people across to use their vote to reject an extreme Brexit.”

Caroline Lucas, Green MP for Brighton Pavilion
